July 2018  
9 a.m.–1 p.m.

35 Tremont St.  
Lynn, MA 01902

A Catholic, college-preparatory school

# July 9-13

**STEM**  
GRADES 4-9

**\$200**

## 3D Design

Students will work in teams to design a playground using Autodesk Inventor design software. Students will create a virtual image of their designs, and use a 3D printer to produce a model of their virtual design.

**Boys Basketball**      **\$160**  
GRADES 4-9

Under the direction of the current St. Mary's basketball staff, current players and alumni who are now playing in college, the boys basketball camp will emphasize the fundamentals of basketball as well as higher level instruction for top-level players. Each day will consist of numerous drills, contests, scrimmages and guest speakers.

# July 16-20

**High School Success** \$175  
GRADES 7-9

The program provides an opportunity for middle school students and high school freshmen to familiarize themselves with the high school writing and math experience. Increase writing skill competency to meet the demands of high school curriculum while gaining math skills necessary for success in Algebra and upper-level, high school math classes.

**Girls Basketball**      **\$160**  
GRADES 4-9

Under the direction of the current St. Mary's basketball staff, current players and alumni who are now playing in college, the girls basketball camp will emphasize the fundamentals of basketball as well as higher level instruction for top-level players. Each day will consist of numerous drills, contests, scrimmages and guest speakers.

# July 23-27

**STEM**      **\$200**  
GRADES 4-9

## CSI: Crime Scene Investigations!

Step into the shoes of a Crime Scene Investigator! Campers will learn to process a crime scene by working hands-on to gather evidence. Working together as a Crime Scene Unit, they'll take crime scene photographs and search for evidence. They'll also start a case file to keep track of the evidence throughout the week. Campers will then learn real procedures for collecting fingerprints and analyzing blood and DNA. As more evidence starts cropping up campers must put the clues together and process the crime scene evidence! Campers will learn the importance of processing and packaging evidence, including the different methods that can be used.

**Volleyball**      **\$160**  
GRADES 4-9

Under the direction of the current St. Mary's volleyball staff, the volleyball camp will cater to players of all skill levels from beginners to experienced. The focus of the week will include fundamental drills on footwork, setting and serving. There will be scrimmages each day as well as daily and weekly awards.

A Catholic, college-preparatory school
